Feb 24, 2013 I don't know if anyone has done this already but I have the download v6 of Pirate Perfection. The V4 version was not good, the new one is way better. The instructions on how to use it are at the top of the torrent. Additionally Pirate Perfection also has a free v6 crack. (Note that I am only uploading the torrent to make it easy for people to pick it up since the crack is not in the public download area). Hope this helps!
