A fantasy adventure action RPG developed by WaterRay Soft Corp., with the cooperation of Asobo Studio and internal staff. • Play as one of five different classes, each of which are in a unique story The game begins with Ash, a naked and weak man who lives alone in a small and unsightly house in a remote forest, with only a broken knife for a weapon. A beautiful maiden named Rowan appears before him, asking him to raise a group of children called the “Townies” so that the evil Demon King can be defeated. Ash chooses the new role of God of the Wilderness, and with the aid of the Magus and four Townies born with the same abilities as himself, he starts his journey to raise them and defeat the Demon King. The game is born from the myth of Elden Ring Crack Mac, a legend in which King Morgan revealed the secrets to the formation of the Elden Ring, which was once used to protect the Land Beyond. The hero, Lord Morgan, was no ordinary prince; the will of the past King was to see the world brought under the law. The fame of his virtue spread to the other lands; then, an evil plan with the goal of destroying the world was hatched from the dark kingdom of the Demon King, and its center of gravity set to the Lands Beyond. If the hero with the power of the Elden Ring is to stand against this plan, you must collect the four emeralds scattered around the world. It is a long-time mystery about the formation of the Elden Ring: if you break the four emeralds, the power of the Elden Ring will vanish, and the Demon King’s plan will be completed. Meanwhile, as the game begins, the Demon King is gathering the four emeralds. If the heroes do not awaken the Elden Power now, they will stand no chance against the Demon King’s plan. The only way out is to get the four emeralds to the heroes, and become the strongest man in the Lands Beyond. In this game, the heroes have five levels of life, called “Power”. When the Power reaches 5, it opens up a new path. The more Power a hero has, the more their class will change. (1) CLASSES: A hero starts the game as Ash, a weak man with the appearance of a child. Through persistence and training, they grow into a powerful hero
