In Deadpool 2, Cable (Josh Brolin), is described as an enigmatic mercenary in search of a missing teammate. Competition delays SpaceX Falcon 9 launch PASADENA, Calif. (AP) — The launch of a SpaceX rocket carrying satellites for the U.S. military is being delayed until early next month. The rocket has been scheduled to lift off from California's Vandenberg Air Force Base on Saturday. But on Friday, SpaceX's chief executive said the satellite launch would be delayed by one week, to Feb. 11. SpaceX COO Gwynne Shotwell says the decision was made because of a competition between SpaceX and an independent California company to build the next-generation Air Force GPS satellites. SpaceX received an \$84.7 million contract late last month to build four GPS 3 satellites. The company competed with California-based Lockheed Martin and Boeing for the job, but the Pentagon said in November it chose SpaceX. SpaceX says it will be able to build faster and cheaper GPS 3 satellites than Lockheed and Boeing, and that's good for the U.S. military. If SpaceX wins all four contracts, it will more than triple its backlog of satellite launches, while increasing the price it charges other customers to launch their

satellites. The pace of the Cubs' rebuild has slowed recently. In last year's Rule 5 draft, the Cubs nabbed infielder Micah Perez, but he was released after a wrist injury and ultimately spent the year in the minor leagues. Of course, this means a lot less money for the Cubs to spend on prospects. And that could cost the Cubs a chance to land outfield prospect Bryce Harper. According to a report by Bob Nightengale of USA Today, the Cubs have been eliminated from Harper's favorite team, the Washington Nationals, and the team is "threatening" to block the 19-year-old outfielder from being traded. Harper is expected to be the top pick in the 2015 MLB draft on June 3. Harper was born in King of Prussia, Pa., but raised in Jupiter, Fla. He attended Palm Harbor High School in Palm Harbor, Fla., before going to high school in St. Petersburg, Fla. He also trained at the Upton Pigskin Factory in Jupiter, Fla. He has a very special relationship with Nationals manager Dusty Baker, who was Harper's coach at Palm Harbor High School. 3e33713323
