Fast SMS Send Crack+ License Key Full Free [2022]

Fast SMS Send Torrent Download is a software app that was developed specifically in order to help individuals send text messages, through installed serial ports and attached modem devices. Advantages of portability This tool is portable, which means you can easily skip the installation process. If you place the program files to an external data drive, it is possible for you to run it on any computer you can connect to, by simply clicking the EXE. Another aspect you might deem important is that Fast SMS Send is not going to add files to your hard drive or Windows registry without asking for your permission, and after you remove it, there will be no traces left behind. Cluttered interface The interface you come by is a bit crowded, as all the options available in the program are displayed here. This might prove to be a bit confusing for novice users. Moreover, there are no Help contents they can access so as to figure out how to get around it. Send text messages at a specified time interval This software utility enables you to send SMSs of maximum 160 characters, and it is also possible to automatically send them from TXT files (located in the app's folder). Both can be sent automatically at a user-defined time period (expressed in seconds). The time out can be specified, ports can be tested and you can add an unlimited number of contacts and organize them in groups. Conclusion To sum up, Fast SMS Send is a fairly efficient piece of software which allows you to send messages to family or friends through a serial port or attached modem device. It has a good response time and it does not hamper the computer's performance. However, it could use a little bit more work. 1.4.2.0 7-Feb-2017 04:19 AM 17 Fast SMS Send EasyTwoSend Free 2 Fast SMS Send Free 2.1.0.6 28-Nov-2016 05:06 PM 6 Fast SMS Send Free 2.1.0.5 28-Nov-2016 05:04 PM 7 Fast SMS Send Free 2.1.0.4 26-Nov-2016 03:37 PM 7 Fast SMS Send Free 2.1.0.3 23-Nov-2016 03:33 PM
