Deepnet Explorer Crack + License Keygen

- Split-screen View (left) - Tabs & Bookmarks in both windows - Grouped news by category - RSS Reader - Internet search (Deepnet Explorer) - Wallpaper Slideshow (Deepnet Explorer) - Torrent support - Show/Hide sections on statusbar - Jump to anchor links, without opening links - Save session - Shortcuts from browser to sites/applications - Bookmark manager - Tab groups - Favorites - Tabs on right - Full screen view - Search web/online sources - Keyboard shortcuts - Mouse gestures - PHP Page/URL builder - Mediaplayer (Deepnet Explorer - PSP client) - P2P file sharing (Deepnet Explorer) - Site-updater (Deepnet Explorer - PSP client) - Internet Explorer 7-style - Interfaces for 7 languages (50+ more available) - Full international options - Configure browser settings - Download manager - Adblocker (and alternatives) - Content killer - Expire filter - Password manager - Deepnet Explorer Screenshots: - - Deepnet Explorer download Deepnet Explorer is a web browser that also includes a P2P client and RSS reader. The interface of the tool is simplistic and intuitive. Deepnet Explorer can be used by both novices and experienced individuals. When it comes to the web browser features, Deepnet Explorer supports multiple tabs and you can specify the default search engine. You can save a session and use a session manager, reopen the last closed window, create and organize a favorites list, zoom in and out, change text size and view the source page in a text document. Furthermore, you can switch to full screen mode, change the interface language, create shortcuts for webpages, enable autologin, set a master password, use a password and form manager, as well as enable a phishing alarm, adverts and content killer, assign keyboard shortcuts and mouse gestures, and more. News is organized by age and categories (e.g. "Top Stories", "Business", "Entertainment", "Sports") and you can add a new channel, folder or group. The PSP client allows you to search for and download media files (audio, video, images, documents, applications or all) 1d6a3396d6
