Ohio State Football Basketball Schedule For PC (2022)

Ohio State Football Basketball Schedule PC/Windows

77a5ca646e

---

## Ohio State Football Basketball Schedule License Key

### What's New in the Ohio State Football Basketball Schedule?

This Widget displays the football, men's basketball, or women's basketball schedule for the Ohio State Buckeyes. Background opacity, logo position, time zone, and the columns displayed are configurable via the Preferences window. The sport (football or basketball) can be chosen from the context menu or the Preferences window. In "football" mode, the entire schedule for the selected season is displayed. In "basketball" mode, the schedule is displayed by month, and the next and previous buttons will cycle through the months available (November through March). When the Widget loads, the month displayed will be set to the current month. Schedule minimizes to logo. Schedule will update as game times and scores become available. From the context menu, you may toggle the view between conference standings and schedule. Data is scraped from ESPN. Limitations:  Yahoo! Widget Engine Description: This Widget displays the football, men's basketball, or women's basketball schedule for the Ohio State Buckeyes.
