Kittenpit is a game for cat lovers and for the children who love their kittens. First, there is a virtual kitten in the game. It is cute and funny. The kitten is just like a real kitten. There are 107 puzzles. After each puzzle, the kitten will grow up. Every time you play a puzzle, the kitten's age will be increased by one. The kitten will grow up more and more cute and funny. You need to find the exact number from 1 to 107 to increase the kitten's age to the next level. As the kitten gets older, the baby cry will get more and more loud. If you cry out loud when touching or clicking the kitten, your progress will be frozen until you restart the game. You'll never lose your progress if you don't cry out loud. In addition, there are three different modes to play: 'Cat's Age' means to play and click on the kitten. The kitten's age will increase by one, the kitten's growth will be showed on the corner of the kitten's face. If you want to play the game, you just need to try and get the kitten's age up. The kitten will grow up and his crying will increase by one. 'Kitten's Cry' means to play and click on the kitten. If you have cried out loud, the kitten's growth will increase by one and the crying of the kitten will increase by one until you don't cry out loud. If you want to play the game, you just need to try and get the kitten's age up. If you didn't cry out loud, the kitten's cry will increase by one. 'Kitten's Cry' means to play and click on the kitten. If you cry out loud, the kitten's cry and the kitten's age will increase by one. If you want to play the game, you just need to try and get the kitten's age up. The kitten will grow up and his crying will increase by one. No time limit. You have infinite time to solve puzzles and use the powers of the kitten to solve the puzzles. You just need to click on the kitten to solve the puzzles. If you have 3D acceleration, you can view 3D cat facial expression on Android 4.0 or higher. If your system lacks the 3D acceleration, you can see the kitten face from the right side and the kitten crying from the left side of the screen. In addition, there are two helpful feature to make this

**Features Key:**

- 3 Puzzles to solve from different perspectives
- A theme that's different and yet familiar at the same time
- Bring the pets together and navigate them and their toys to find everyone
- Watch the pets react to the different puzzles

**How to play**

- First choose a puzzle that is easy, medium or hard for you
- Add and remove pieces to fit the pets
- Your pets will react to each puzzle item
- Relax and enjoy the game

**Tips**

- Cats love to run, watch out for them
- Watch them turn
- They don't like the limit of their puzzles!

**Bepuzzled Kittens Jigsaw Puzzle Game history**

Customer Reviews Bepuzzled First time of ordering here and I am glad I did. The store came through on the rush order. I purchased this puzzle for my Grandson and he loves it. It is, of course, a real cat puzzle. He has lots of busy time trying to solve each puzzle and enjoy each picture. He is now very close to the finishing on this puzzle. It is very well crafted and we are very happy with it. Review by Pat T - December 11, 2012 Bepuzzled My grandchild just got the cutest kitten bed. He loved this puzzle. Thank you! Review by Alice - December 6, 2012 Puzzle is great, but there's no pictures. At first I thought it would be simple, but nope. The jigsaw puzzle is good, but why weren't they there? Review by G. C. from Ohio - December 6, 2012 This is adorable! Well, I wasn't sure what to expect. After reading customer reviews on other websites, they had nothing good to say about bepuzzled, so I was really surprised to find a cute kitten! The
