Along with characters and monsters, you will experience a variety of the Lands Between. “Perhaps the developer’s enthusiasm for the idea is a good thing? The development team of Elden Ring appears to have taken the oath. They have created a game that is dripping with excitement. On its own, the product may lack gameplay depth but fortunately there is a large amount of freedom available when creating a character. [In fact] the level of control is so deep, it almost feels like a point and click RPG. The freedom in class customization is nothing short of breath taking.” GachinDragon “This game is very inviting.
