Browser AutoCAD may be used in a web browser via the "Web Browser Plug-in" application. The user can edit files on their local hard drive and access them online via the Web Browser plug-in. The browser plug-in is available for Microsoft Internet Explorer, Mozilla Firefox, Google Chrome and Safari, as well as other web browsers. Serial port The computer may be connected to a serial port of a PC using a custom interface via a serial port cable. This method allows the user to run a general-purpose operating system, like Linux, using CAD software directly. The most commonly used serial connection in this method is via the RS-232 port. "I think it's becoming their passion, their love. "And as a manager, you want that." Next up for Maddon and the Rays is Thursday night's game against the A's, followed by an off day and a three-game set at Yankee Stadium. The Rays are doing this against the backdrop of the death of longtime owner Phil Ball, whose passing was announced Monday. And the Rays have had some dark moments this season, including a series-opening loss to the Yankees last week that was eventually vacated, and, in May, a bizarre incident in which two women had to be restrained by police after they were seen on video punching and kicking Rays reliever Sergio Romo, who is black. Romo was suspended one game and will appeal. The Rays acquired him in a trade this past winter. "I've known Sergio for a long time ca3bfb1094
