Bones is known for its spooky Halloween episode, but now series creator Joel Hodgson says that there are also small Christmas episodes — and they'll be coming to Netflix soon. "We're currently in the middle of doing some other holiday episodes, which I want to say will be coming to Netflix," Hodgson told Radio Times. "Because we're so good at Christmas, I'm hoping we could do some holiday episodes." Hodgson also told Radio Times that Netflix has been extremely supportive of the show. In fact, he said that production on the tenth and eleventh seasons was not affected due to Disney's decision to shut down production in China. "We were in the middle of the last season when Disney made the decision to shut down," Hodgson said. "That was really great. It's amazing how well they've embraced us and given us time to finish up what we needed to."
