I am using JQuery UI DatePicker but the only format that seems to work is "MM/dd/yyyy". When the user selects a date, is there a way to change the default format to dd/mm/yyyy? \$(".datepicker").datepicker({ dateFormat: 'dd/mm/yy' }); A: Use the parseDate option: \$(".datepicker").datepicker({ parseDate: true }); André Lothar André Lothar, also known as André Laliberté, (April 14, 1892 - February 25, 1965) was a Canadian-born American painter. He was born in Canada, in a village of Quebec in 1892. In 1914, he moved to the United States and joined the American Group of the Parisian Ecole de Paris. Soon afterwards, he changed his name to André Laliberté. In 1917, he married Lillian Papazian (1896-1962), an American painter. This marriage has produced three children, Daniel (1918-1993), Pamela (1919-1995) and Joel (b. 1924). After the death of Lillian in 1962, André Laliberté has re-married to Nettie Newman in 1963 and they have two children, Sara (1964) and Eric (b. 1967).
